# African Swine Fever in Italy

## First results of an ethnographic investigation

INTERVIENE

**Frederick Keck**

CNRS, Laboratoire d'anthropologie sociale

At the end of his month as Visiting Professor in Bergamo, prof. Keck will present the results of his fieldwork and discuss their implications for future theoretical and empirical research.

**26 ottobre 2023, ore 14.30-16.30**

Aula 1, Pignolo
